

# Household Hazardous Waste Collection and Recycling of Electronics, Tires, Paper, Latex Paint, and Appliances

Saturday, October 6, 2018  
8:00 a.m. - Noon  
at Fairgrounds in Centreville  
Use Main Street (M-86) Entrance

## Household Hazardous

Collected material will be handled by Drug and Laboratory. This service is available to St. Joseph County Residents only.

Materials accepted:

Pool chemicals, pesticides, old gas, auto batteries, fluorescent bulbs, oil-based paints, stains, pharmaceutical needles (sharps), smoke alarms, and more. Look for signs such as danger, combustible ....

Materials not accepted:

No explosives.

No waste oil – it can be recycled at auto parts stores.

The following fees apply:

Up to 100 pounds at no charge;

\$1.00/lb. for everything over 100 pounds.

The cost to provide pesticide disposal has more than doubled for 2018.

Donations accepted and appreciated to help defray cost of this service.

## Paper Recycling:

OMSGreen will be accepting cardboard, newspaper, magazines, junk mail, phone books. (NO plastics)

## Appliance Recycling:

We are happy to offer the recycling of refrigerators, freezers, dehumidifiers and window air conditioners at this collection. For electric customers served by the City of Sturgis and Midwest Energy, you may be eligible for a rebate if appliance is still in working condition.

Refrigerator - \$50 rebate

Air Conditioner - \$15 rebate

Stand Alone Freezer - \$50 rebate

Dehumidifier - \$15 rebate

We will accept appliances from all residents but no rebate.

## Waste:

## Electronics:

Collected material will be handled by Green Earth Electronics Recycling.

Materials accepted:

Personal Computers	Laptop Computers	Scanners
Telephones	Printers	Monitors
Televisions	DVD Players	VCR's
Game Systems	Cables, Wires, etc.	

**\*\* Please Note \*\*** the electronic recycling will be offered at no charge as St. Joseph County will pay the recycling fee for its residents. (Donations encouraged)

## Tires:

Cobalt Holdings will be collecting tires.

<u>Cost per tire:</u>	Passenger/light truck	\$ 2.00 each
	Semi	\$ 5.00 each
	Tractor	\$25.00 each

Tires must be free of Mud, Concrete, Tree Vines, etc.

## Latex Paint:

ePaint Recycling will offer latex paint recycling.

There will be a fee of \$2.00 per can (regardless of amount in can).

Please separate your latex paint from oil-based paint/ stain.

These programs offered by St. Joseph County and the County Solid Waste Committee. Please note, some services have fees as listed above.

\*\*\* Please call 269-467-5617 for questions\*\*\*
