ECONOMIC DEVELOPMENT CORPORATION RECOVERY ZONE BOND PROJECT NATURE'S FUEL

Cathy Knapp, EDC Director, stated that a company called Nature's Fuel would like to move into the former River City Plastics Building on Franklin Drive in the Industrial Park in Park Township. They are currently in Atwood, Indiana.

The Board of Commissioners previously adopted a resolution establishing the County as a "Recovery Zone" for the purposes of the American Recovery and Reinvestment Act of 2009 which permits the County to issue "Recovery Zone Facility Bonds" for qualifying private projects. Our volume cap is \$8,427,000 and the EDC requested from the Department of Treasury that an additional allocation of volume cap be approved and they did approve an additional cap of \$33,000,000 for a total volume cap of \$42,427,000.00.

She added that there is no liability to the EDC or to the County, but the Board of Commissioners needs to pass a resolution granting increased bond volume cap in order for Nature's Fuel to move forward on their relocation.

The resolution follows:

RESOLUTION NO. 26-2010  
ST. JOSEPH COUNTY, MICHIGAN  
RESOLUTION GRANTING ALLOCATION OF  
RECOVERY ZONE FACILITY BOND VOLUME CAP  
(NATURE'S FUEL THREE RIVERS, LLC PROJECT)

WHEREAS, the County has heretofore adopted a resolution establishing the County as a "Recovery Zone" for purposes of the American Recovery and Reinvestment Act of 2009 ("ARRA") which permits the County or any qualifying municipality within the County to issue "Recovery Zone Facility Bonds" (RZFBs) for qualifying private projects that promote economic development in the County; and

WHEREAS, in response to the EDC's request, the Michigan Department of Treasury has approved an additional volume cap allocation of \$33,000,000 to the EDC for a total volume cap allocation of \$41,427,000; and

WHEREAS, the County has received a request from Nature's Fuel Three Rivers, LLC (the "Company"), for use of the County's volume cap allocation in order to finance the acquisition, construction, renovation and equipping of an existing building in Three Rivers, Michigan to house a waste-to-energy processing facility (the "Project") through the issuance of RZFBs through the EDC; and

WHEREAS, the Board, having considered the Company's request for volume cap allocation has determined that the Company's request for volume cap allocation for the issuance of RZFBs through the EDC in an amount not to exceed \$41,427,000 should be granted; and

WHEREAS, if the EDC fails to issue RZFBs for the benefit of the Company prior to January 1, 2011, the allocation shall expire.

NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE BOARD OF COMMISSIONERS OF ST. JOSEPH COUNTY, MICHIGAN, that:
