**PRESS RELEASE**

**February 8, 2017**

**Do you have a television or computer that you need to recycle and don't want to wait until the April collection?**

**Waste Management's Westside Landfill in Three Rivers has agreed to host a drop-off location for various electronics at their Recycling Center. Residents may take their electronics to the Recycling Center located at 60050 Roberts Road, but it is only open on Saturdays from 7:30 am until 11:30. This will be a program that will be ongoing throughout the year, but it is self-serve so residents will have to unload the items into the designated container without assistance.**

**This is a great opportunity - please call 467-5617 if you have specific questions.**
