

# Household Hazardous Waste Collection and Recycling of Electronics, Tires, Paper, Latex Paint, and Appliances

## Household Hazardous Waste:

Collected material will be handled by Drug and Laboratory. This service is available to St. Joseph County Residents only.

### Materials accepted:

Pool chemicals, pesticides, old gas, auto batteries, fluorescent bulbs, oil-based paints, stains, pharmaceutical needles (sharps), smoke alarms, and more. Look for signs such as danger, combustible .....

### Materials not accepted:

No explosives.

No waste oil – it can be recycled at auto parts stores.

### The following fees apply:

Up to 100 pounds at no charge;

\$1.00/lb. for everything over 100 pounds.

**The cost to provide pesticide disposal has more than doubled for 2017.**

**Donations accepted and appreciated to help defray cost of this service.**

## Paper Recycling:

CMS Green will be accepting cardboard, newspaper, magazines, junk mail, phone books. (NO plastics)

## Appliance Recycling:

We are happy to offer the recycling of refrigerators, freezers, dehumidifiers and window air conditioners at this collection.

**For electric customers served by the City of Sturgis, you may be eligible for a rebate if appliance is still in working condition.**

Refrigerator - \$50 rebate

Air Conditioner - \$15 rebate

Stand Alone Freezer - \$50 rebate

Dehumidifier - \$15 rebate

*These programs offered by St. Joseph County and the County Solid Waste Committee. Please note, some services have fees as listed above.*
